

I support the Gaza Women's March!

July 3, 2018

On July 3rd, Gaza women will be marching against Israel's crushing 12-year blockade & decades long military occupation. Their children are malnourished and traumatized; their husbands are unemployed; their sons have been targeted by Israeli snipers; and their daughters' generation will experience the same hopeless situation. In the past 3 months of unarmed protests, 135 Gazan men, women, & children have been killed and 14,000+ have been injured.

The U.S. gives Israel over \$10 million per day.

I don't want my tax money being used to kill, oppress, and imprison an entire population. I support justice and freedom for Palestinians.
